

THE CUBAN REVOLUTION, HEALTH CARE, AND THE WORLD TODAY

COME HEAR TWO MEDICAL STUDENTS FROM CUBA

Yenaivis Fuentes Ascencio, 23, is from Quantánamo, Cuba. She completed five years of study at the School of Medical Sciences in Quantánamo and is finishing her sixth and final year of undergraduate medical studies in Havana. Fuentes is serving as the National Public Health Education Coordinator of the Federation of University Students.

Aníbal Ramos Socarrás, 30, is from Manzanillo, Cuba. He is a third-year graduate student in surgery at the Manzanillo School of Medical Sciences at the University of Granma where he finished his undergraduate medical studies with honors. Ramos served one year in Haiti with a volunteer medical brigade. He is a leader of the Federation of University Students at the School of Medical Sciences in Manzanillo.

- With opening remarks by U.S. doctors who studied at the Latin American School of Medicine in Cuba.
- Program will include a discussion period where the students will answer questions from the audience.
- A \$5 voluntary donation will be requested at door to help defray cost of event. No one will be turned away for lack of funds.
